BEHIND ENEMY LINES, by Mike KOLA EWUOSHO

SUMMARY

It is time to go on the defensive!

Behind Enemy Lines shows you how to live victoriously in a world system opposed to the things you stand for. The secret of strength in God is found in your everyday activities. It's not what you do occasionally that produces lasting results but what you do regularly. Using the lives of Daniel and his three friends as a source, the author highlights principles that will help you to overcome in a hostile environment. You will discover:

- ❑ how to improve your ability to live victoriously for Christ.
- ❑ how to engage the enemy in his own territory and win.
- ❑ how to experience God's power regularly in your live.

Behind Enemy Lines will warn and encourage you; make you afraid yet give you hope; in all it will strengthen and enable you to take your place in this modern day society.
